

**Pea Soup's**

# Mini Rocket

12V DC 400 Watt Mobile Smoke Machine

The **Pea Soup Mini Rocket** is a robust and fully portable smoke system, operating from an on-board 12v DC battery.

With a 400w capacity, the Mini Rocket is capable of producing a safe, controllable smoke on demand in areas where no mains power is available, and is an invaluable for special effects, air tracing / leak detection and for training.

At maximum output, up to 10 minutes of smoke can be produced from a fully charged battery.

A suitable 110v/230v AC charger is included with every unit. Spare battery packs are available if required.

Kit comprises:

- 1 X Pea Soup Mini Rocket smoke machine
- 1 X Battery base assembly
- 1 X Battery charger and lead
- 1 X 250ml fluid tank

Optional Extras:

Cabled remote control, radio remote, DMX interface, timer controller, connectors for attachment to 12V car battery, spare batteries, 5 litres Mini Rocket smoke fluid.
